

Wh
M664
1860a

What puzzles me, to find it
Called wholly wicked, when we know
There's so much good behind it.

If folks would let the world go by,
And just stick close to duty,
Taking life's blessings as they come,
And drinking in earth's beauty,

It seems to me the flag of cant
Would in a trice be furled,
And only wicked lips would call
God's world a wicked world.

Richard B. B. B.
